**The Reaching Every District (RED) approach as a way to improve immunization performance**, by Jos Vandelaer, Julian Bilous & Deo Nshimirimana, responding to:

Victora CG, Huicho L, Amaral JJ, Armstrong-Schellenberg J, Manzi F, Mason E, et al. Are health interventions implemented where they are most needed? District uptake of the Integrated Management of Childhood Illness strategy in Brazil, Peru and the United Republic of Tanzania. *Bull World Health Organ* 2006;84:792-801. PMID:17128359 doi:10.2471/BLT.06.030502

**Health insurance in sub-Saharan Africa: a call for subsidies**, by Andreas Kalk, responding to:

De Allegri M, Kouyaté B, Becher H, Gbangou A, Pokhrel S, Sanon M, et al. Understanding enrolment in community health insurance in sub-Saharan Africa: a population-based case-control study in rural Burkina Faso. *Bull World Health Organ* 2006;84:852-8. PMID:17143458

**Anti-tuberculosis medication side-effects constitute major factor for poor adherence to tuberculosis treatment**, by Niyi Awofeso, responding to:

Garner P, Smith H, Munro S, Volmink J. Promoting adherence to tuberculosis treatment. *Bull World Health Organ* 2007;85:404-6. PMID:17639229 doi:10.2471/BLT.06.035568

**Response to opt-out approach to prevent mother-to-child transmission of HIV**, by Kazuhiro Kakimoto, responding to:

Chandisarewa W, Stranix-Chibanda L, Chirapa E, Miller A, Simoyi M, Mahomva A, et al. Routine offer of antenatal HIV testing ("opt-out" approach) to prevent mother-to-child transmission of HIV in urban Zimbabwe. *Bull World Health Organ* 2007;85:843-50. PMID:18038074

**Declines in case management of diarrhoea among children less than five years old**, by Pavani Kalluri Ram, Misun Choi, Lauren S Blum, Annah W Wamae, Eric D Mintz & Alfred V Bartlett, responding to:

Forsberg BC, Petzold MG, Tomson G, Allebeck P. Diarrhoea case management in low- and middle-income countries – an unfinished agenda. *Bull World Health Organ* 2007;86:42-8.

## Corrigenda

### In Volume 86, Number 2, February 2008:

page 126, the Findings section of the Abstract should read as follows:

"The initial survey was implemented between September 2004 and March 2005 in the African and American regions. A total of 131 institutions in seven African countries and 119 institutions in eight Latin American countries participated."

page 128, the third sentence of the Results section should read as follows:

"Of the randomly selected 133 health institutions, 131 participated."

### Dans le volume 86, numéro 2, février 2008, page 126, il faut lire la partie Résultats du résumé comme suit :

"L'enquête initiale a été réalisée entre septembre 2004 et mars 2005 en Afrique et dans les Amériques. Ont participé au total à l'enquête 131 établissements de sept pays africains et 119 établissements de huit pays d'Amérique latine."

### En el Volumen 86, número 2, de febrero de 2008, página 126, en la sección Resultados del Resumen debería decirse lo siguiente:

"La encuesta inicial se llevó a cabo entre septiembre de 2004 y marzo de 2005 en las regiones de África y las Américas. Participaron en total 131 instituciones de siete países africanos y 119 instituciones de ocho países latinoamericanos."

في المجلد 86، العدد 2، شباط/فبراير 2008، الصفحة 126، ينبغي أن تقرأ فقرة الموجودات في الملخص على النحو التالي: نفذ المسح المبدئي في الفترة ما بين أيلول/سبتمبر 2004، وأذار/مارس 2005، في إقليمَي أفريقيا والأمريكتين، واشتركت فيه 131 مؤسسة صحية في سبعة بلدان أفريقية، و119 في ثمانية من بلدان أمريكا اللاتينية.
